

**REQUEST FOR BENEFIT ESTIMATE
LOUISIANA DISTRICT ATTORNEYS' RETIREMENT SYSTEM
2525 QUAIL DRIVE
BATON ROUGE, LOUISIANA 70808
(225)267-4824**

DARS provides ONE free estimate per year for members within three years of eligibility for normal retirement. If you have already had an estimate this calendar year or are not within three years of retirement, estimates may only be done by the system actuary, at a cost to the member.

Member Name		Date	
Mailing Address			
SSN		Telephone No.	Home () -
			Cell () -
Email address		Member Date of Birth	
Estimated Retirement Date (List only ONE date.)		Beneficiary DOB	
		Relationship to Member*	

Check all that Apply:		I am currently an active employee with a District Attorney's office, LDAA, or DARS.
		I am no longer working for a District Attorney's office, LDAA, or DARS.
		I request that my estimate(s) be processed by DARS Staff at no-cost . I am within 3 years of retirement eligibility and have not requested an estimate this calendar year.
		I request that my estimate(s) be processed by the DARS Actuary at a cost of approximately \$250 for one estimate , and an additional \$200 for each additional estimate scenario. I understand that prepayment is required; my check, made out to DARS, is attached. I further understand that if costs exceed my prepaid amount, additional payment will be required before proceeding. Annualized current annual salary will be used as all future salary amounts for estimate purposes. Current Annual Salary: \$_____

Free estimates will be calculated using the member's approximate fiscal or calendar year salary.

ESTIMATES REQUESTED: PLEASE CHECK ALL THAT APPLY

	Monthly Benefit Estimate without Back-DROP only
	Monthly Benefit Estimate with Back-DROP only _____ months (maximum of 36)
	Monthly Benefit Estimate with and without Back-DROP _____ months (maximum of 36)
	Regular retirement: Maximum Benefit (no beneficiary benefit upon death of member)
	Regular retirement: Option 1 (beneficiary* receives remaining account balance at death of the member) (Note: This option estimate must be completed by the DARS actuary at cost to the member.)
	Regular retirement: Option 2 (beneficiary* receives same member benefit upon death of member)
	Regular retirement: Option 3 (beneficiary* receives 50% of benefit upon death of member)
	Regular retirement: Option 4 (beneficiary* benefit amount designated by the member at the time of retirement) (Note: This option estimate must be completed by the DARS actuary at cost to the member.)
	Early Retirement (55 – 59 years of age and 18-23 years of service)

By signing this document, I hereby acknowledge that this is an estimate provided for informational purposes only and in no way constitutes a contract between myself and DARS. I further acknowledge that the Louisiana Revised Statutes and Constitution, relevant Federal Regulations and Laws, as well as the official DARS Board policies shall serve as the guide to payment of benefits to members participating in DARS. I understand that prior to retirement all figures will be confirmed by the DARS actuary. I understand that estimates may take up to six weeks to process.
